

MORGANWARE & TEFLON.[®] PERFECT PARTNERS!

Morganware is proud to announce our products now feature Teflon[®] Platinum Pro. With superior scratch resistance it's DuPont's toughest non-stick surface to date, and easier to clean – cooking has never been such a pleasure! So when you see our range of stunning stainless steel and hard anodised cookware, look for DuPont's Teflon[®] seal. It's proof your purchase is not only a quality product, it's the best value for money on the market today.

Teflon[®] is a registered
DuPont trademark.
